Note called for by the Secretary at the direction of the Hon Member of Council on the question of restoration to the Swami of the management of the Haribarsapur Matt, Hoskote Taluk, and the Lands endowed to it.

On the death of the previous Swamy of the Matt and owing to the unsatisfactory state of affairs relating to the Matt, the management of the Matt affairs and the lands endowed to it was taken up by Govt by G.O. No. 2285/ Mug. 7. 95-92 of 7-12-92. Para 4 of the order runs as follows:—

"The present Priest is an inexperienced youth. The Govt, therefore, deem it expedient to place the Inam lands, when restored to the Matt, under the management of the Taluk Amildar, who will carefully manage them and pay annually out of the income thereof only such portion as may be considered absolutely necessary for the maintenance of the Guru and deposit the balance in the Govt Savings Bank to accumulate the same, till he is able to assume management and look after the Matts' affairs himself."

It will be observed from the note that the Sowcargaika has not pressed for the restoration of the matt so much as for a sum of Rs 1000/- being given to him for the repairs done to the matt building this amount has been recently sanctd. and ordered to be given to him. V probably the amt. might have by this time reached the Sowcari's hands.

Taking of repairs to the matt building, Page 20 gives the details of the amt. sanctd for the repairs, & the amts paid already from time to time, so that a balance of about Rs 1500/- has still to be paid The payt of this amt depends upon the progress of the work, and the Dy Com's recommendation in the matter and the submission of bills for works done are awaited & will be attended to at once.

The Comptroller has recently in another connn been asked to give us details of receipts & disbursements.

The Municipality seems thus to have no cause for grievance now that the amount he asked for has been given to him. The question of the restoration of mutt may perhaps be taken up for consideration when the Swami raises it again.

Secy. How about the expediency of restoring the management to the Swami? Has the Mysore Govt any proposals to make on the point? 16/5/19

From all that I hear about the Swami, I am afraid he would prove like a very unsophisticated manager. He has hereby a few undesirable friends around him and they may land him in monetary difficulties from which an extrication would be difficult. The matter has been under Govt's management for the last 26 years and it would be a pity to lose the benefit of all this care by a hasty action now.

I have not seen the Mysore Govt's enquiries into this proposal in mind. I suppose I shall enquire into the matter when next I visit Mysore and my views

Dear Sir,

Once again are we constrained to write to you about our most regrettable personal affairs. We have just received a notice from the Narasimharajpur Munsif's Court summoning us to appear there on 24.1.1919 and show cause why we shall not be committed to the civil gaol on the application of one Kallurkatte Dr. Gangadhar Rao in Execution proceedings no. 244 of the Narasimharajpur Munsif's Court on a decree of the Sagar Munsif's Court for Rs 157-14.

Now our real position is briefly as follows. — We really owe the amount and freely acknowledge the liability. But unfortunately, owing to the Math administration being in the hands of the Muzrai department and the Government taking months and often years to actually put us in funds for expenses long ago sanctioned by

(P.T.O.)

them and already incurred by us in accordance with the
government plan and Estimate, we have been forced to
fall into arrears with our creditors. The local officials
take months to come over for taking their measure-
ments of work already executed and sending up their bills;
the government takes its own time to pass them; the
Comptroller and other intermediate divinities all
take their own time — the total period often running
to years. Having spent all our private income from
Kamikkes and other sources too on these building
works etc, having failed to get our bills expeditiously
sent up, passed and cashed and having also failed
to move you with our piteous entreaties for temporary
loans (out of our own money lying with you) until
the sanctioned amounts are actually realised by
us, we thus find ourselves in absolute penury, so
much so that our own Bhikshas and the daily
Naivedya for our Mutt Deities have of very
often proved very precarious affairs indeed! For
a long time past we have been flooding you with
representations about our difficulties, debts,
decrees and what not; but all our deluge of
repeated and pressing reminders would seem to
have proved, so far, bootless to move the Govern-
ment out of their own stereotyped "red-tape"
methods. In the meantime however, decrees
pass on in due course into executive proceed-
ings against our person and the Mutt property.

And once more we are compelled to appeal to you in the hope - against hope - that at this stage at any rate the government may be graciously pleased to intervene and come to our rescue.

We frankly feel that as the Mutt is under the administration of the Muzrai department and as all this unfortunate is - candidly - due to the procrastinatory methods of the government, it is the duty of the government to see that our personal position - awkward enough already in all conscience - is not further compromised on 24.1.1947 in the manner now

frowly threatened. Please therefore take this as an urgent telegram, take necessary steps immediately to have the matter properly represented to the Narasimharajpur Munsif on 24.1.19 and also kindly let us know what measures have been adopted in the case. Else with our punishment be truly severe for the implicit confidence we have ever reposed in the government's administrative methods and which officially induced us to go out of our way to place the matter thereunder!

With choicest benedictions for your continued welfare and profest well-wishes and with Narayanasmarana, Yours [illegible]

Sir,

With reference to your letter No.1016/Muz.123-17-22 dated the 25th September 1918 calling for a detailed report in the matter of a loan of Rs.1,000/- to the Swamy of the Sri Harihar-pur Matt in the Koppa taluk, I have the honour to state that it is reported by the Amildar of Koppa taluk and the Assistant Commissioner, Tarikere Sub Division that they have personally inspected the work done to the Matt building and that a perceptable progress has been made in the work of repairs. They recommend that an advance of Rs.1,000/- may be granted to the Swamy out of the amount of -- Rs.3713-2-7 held at the credit of the institution at the end of December 1918.

2. As it is reported that the work is in progress, I request that the advance of Rs.1,000 may kindly be sanctioned to the Swamy subject to adjustment in due course.

3. The file of vernacular correspondence ending with the Tarikere Revenue Division Assistant Commissioner's yadi No.375 18-19 dated the 18th January 1919 is herewith submitted for kind reference. Early orders of Government are solicited in the matter.

G.O.No.973-4/Muz.650-13-7 dated 2nd October 1915 sanctioning a revised estimate for Rs.4960/- instead of the original one for Rs.4210/- sanctioned in Order No.1851-2/Muz.584-09-45 dated 22nd January 1914 for repairs to the Sri Hariharpur Mutt building at Hariharpur in the Koppa Taluk.

2. G.O.No.14-15/Muz.650-13-2 dated 4th July 1914 countersigning and forwarding to the Comptroller a measurement bill for Rs.1038-15-6.

3. G.O.No.357-9/Muz.617-14-3 dated 30th July 1915 sanctioning, as requested by the Swamy of the Mutt, an advance of Rs.500 towards the work, the same to be executed under his own supervision.

4. G.O.No.1493-5/Muz.332-16-2 dated 14th December 1916 countersigning and forwarding to the Comptroller a measurement bill for Rs.681-9-0.

5. G.O.No.1633-4/Muz.123-17-9 dated 25th January 1918 sanctioning a further advance of Rs.200/- towards the work.

6. Srimukha No.1076 dated 6th December 1918 from the Swamy of the Sri Hariharpur Mutt stating that a sum of Rs.1000/. is very urgently required to pay off the

debts contracted on account of the work and requesting that the amount may be advanced to him from the funds at the credit of the Matha.

7. G.O.No.1854-5/Muz.123-17-28 dated 20th January 1919 sanctioing a further advance of Rs.159-14-0 from the funds of the Matha, subject to future adjustment, to the Swami of the Sri Hariharpur Matt, for the satisfaction of a court decree.

8. Correspondence ending with letter No.H.C.178 of 18-19 dated 20th January 19 from the Deputy Commissioner, Kadur District, recommending that an advance of Rs.1000/- may be sanctioned to the Swami, subject to adjustment in due course.

Order No. 2168-69/Mbrs 123-17-Confd. 1/Fib/1919, Dated 6 & 7 Feb 1919.

It is seen from the Government orders read above that a sum of Rs.1720/8/6 has been paid towards the repairs already effected and that Rs.859-14-0 has been advanced to the Swami, subject to adjustment, to enable him to carry on the work to completion. No bill on account of work done has been received of late and as the Swami requested that an additional advance of Rs.1000/- may be given him to push on with the work, the Deputy Commissioner, Kadur Distr was asked in this office No.1016 25th September 1918 to report regard

the progress of work and the financial condition of the Mutt. He now reports that the work is in progress and that the advance asked for by the Swami may be sanctioned, out of Rs.3713-2-7 at the credit of the Mutt, subject to adjustmen in due course.

2. As the amount of Rs.859-14-0 already advanced is to be adjusted out of the amounts due on the work bills to be received, the Deputy Commissioner is requested to send a measurement bill for work executed up to date.

3. As in the meanwhile the Swami pleads for a further advance and the Deputy Commissioner recommends it, an additional advance of Rs.840/- is sanctioned, subject to adjustment in due course, from work bills to be submitted. The amount will be drawn by the Amildar, Koppa Taluk, from the funds at the credit of the Mutt and paid to the Swami.
